My physician has also advised me that certain supportive care can be given to alleviate pain and suffering and efforts made to keep me comfortable.
2. I understand that care given by Hospice Care of the Northwest, is not directed to extending the length of life or to the reversal of the disease from which I am suffering, which has been diagnosed by my physician as terminal. However, the hospice program is directed to the greater degree of symptom control, including the relief of pain, and to the creation of an environment for myself and my family designed to relieve stress and to promote support and understanding.
3. I fully understand that in the care rendered me in the Hospice program, extraordinary life saving measures will not be provided. This includes cardiopulmonary resuscitation. This includes artificial nutrition and hydration that prolongs the dying process. I request admission to the program will full knowledge and understanding of these limits.

The primary caregiver will be responsible to oversee the patient's safe use of medications. Consult from a Hospice nurse is available 24-hours a day, 7 days a week. I will consult a Hospice nurse in case of emergency.
7. With full knowledge of the above facts, I consent to my care and treatment in the hospice program under the above conditions, and I hereby release Hospice Care of the Northwest, its officers and employees from all liability in following my wishes that care in the program be limited to that care outlined above, which is aimed at relieving my pain and making me comfortable.

STATEMENT OF MEDICARE/MEDICAID ELECTION OF BENEFITS

PATIENT NAME: MR#: ADDRESS: DATE OF BIRTH: NEAREST RELATIVE: RELATIONSHIP:

I understand that I or my representative have the right to choose my attending physician. I state that my chosen attending physician, (name) (address) has advised me that I have a terminal illness, my health cannot be restored or my disease cured. My physician has also advised me that certain supportive care can be given to alleviate pain and suffering and efforts made to keep me comfortable through Hospice Care of the Northwest.

I understand that the Medicare/Medicaid Hospice benefit provides an additional benefit through Medicare/Medicaid Certified Hospice Program, a medically directed, interdisciplinary group approach to provide palliative care and support to my family and me. The Hospice Informed Consent Form has been explained to me and I understand the limitations set forth are meant to keep me comfortable and improve the quality of the time I have remaining.

I further understand that my election of Medicare/Medicaid Hospice Benefits constitutes a waiver of any further aggressive treatment for my terminal illness, reimbursable through standard Medicare/Medicaid Benefits.

Hospice Election Periods

I understand that there are Hospice Election Periods, two (2) - 90-day periods, followed by unlimited 60-day periods. At the end of each election period, I will be evaluated and re-certified as needing Hospice services by meeting the Hospice admission criteria. I may revoke the Hospice Medicare/Medicaid Benefit at any time. Once I have revoked the Medicare/Medicaid Benefit, I forfeit the remaining days in that election period while keeping the remaining election periods intact. I understand that I may transfer to another Medicare/Medicaid Certified Hospice Program once during any election period without having a break in service and that this is not considered a revocation.

I understand that a decision to pursue aggressive treatment affecting my terminal illness is not covered in the Hospice Plan of Care. I have the option to pay for these services or revoke the Hospice Medicare/Medicaid Benefit and assume coverage under traditional Medicare/Medicaid.
