**PATIENT NAME:** ______________________________ **MR#:** ______________

**INSTRUCTIONS: This form is used to acknowledge receipt of our orientation booklet and confirm your understanding and agreement with its contents. Your signature below indicates your approval.**

1. I state that my physician, ______________________________, has advised me that I have a terminal illness, and that while my life may be prolonged for some period, my health cannot be restored or my disease cured. My physician has also advised me that certain supportive care can be given to alleviate pain and suffering and efforts made to keep me comfortable.
2. I understand that care given by Hospice Care of the Northwest, is not directed to extending the length of life or to the reversal of the disease from which I am suffering, which has been diagnosed by my physician as terminal. However, the hospice program is directed to the greater degree of symptom control, including the relief of pain, and to the creation of an environment for myself and my family designed to relieve stress and to promote support and understanding.
3. I fully understand that in the care rendered me in the Hospice program, extraordinary life saving measures will not be provided. This includes cardiopulmonary resuscitation. This includes artificial nutrition and hydration that prolongs the dying process. I request admission to the program will full knowledge and understanding of these limits.
4. When admitted to Hospice Care of the Northwest, I understand that my attending physician will prescribe the extent and nature of my care and treatment, and that Hospice Care of the Northwest is not liable for any act or omission in following his instructions.
5. I authorize Hospice Care of the Northwest to obtain personal/medical information and/or release this information to any appropriate health care organization or physician.
6. I fully understand that the responsibility of primary caregiver remains with ______________________. I understand that the Hospice services provided by Hospice Care of the Northwest staff are not to take the place of the care provided by the primary caregiver. The primary caregiver is an important part of the Hospice team and participates in all decisions related to patient care. Routine care procedures will be taught to the primary caregiver. The primary caregiver will be responsible to oversee the patient's safe use of medications. Consult from a Hospice nurse is available 24-hours a day, 7 days a week. I will consult a Hospice nurse in case of emergency.
7. With full knowledge of the above facts, I consent to my care and treatment in the hospice program under the above conditions, and I hereby release Hospice Care of the Northwest, its officers and employees from all liability in following my wishes that care in the program be limited to that care outlined above, which is aimed at relieving my pain and making me comfortable.
8. I give my permission for Hospice staff members to attend resident care conferences held on my behalf.

I acknowledge that I have been given ample opportunity to ask questions that I have concerning the Hospice Care of the Northwest program. I acknowledge that I have been provided with a written copy of my rights and responsibilities as a patient. A Hospice representative has discussed them with me and I understand them. I certify the following information has been provided and explained to me and/or my family/caregiver: Hospice on-call phone number and how to reach the Hospice after normal business hours; information on advance directives; standard precautions, home infection control and safety information, procedure for scheduling visits, and the procedure for obtaining medication, equipment and supplies.

My signature acknowledges that I have received a copy of Hospice Care of the Northwest's Notice of Privacy Practices. I have been provided with opportunity to discuss concerns I have regarding the privacy of my health information. **Initials:** ________

I understand that I am free to change my mind at any time about the method of care which is furnished me in the program and can request that complete acute care be given me, including measures and attempts to reverse the disease from which I am suffering, and that if such care is not available in the program, I may be transferred from it.

I state that I have read the above Hospice Informed Consent, under the nature and extent of the care available in the program and state that I have signed this consent as my own free act and deed.

# STATEMENT OF MEDICARE/MEDICAID ELECTION OF BENEFITS

**PATIENT NAME:** ______________________ **MR#:** ______________

**ADDRESS:** ______________________ **DATE OF BIRTH:** ______________

**NEAREST RELATIVE:** ______________________ **RELATIONSHIP:** ______________

I understand that I or my representative have the right to choose my attending physician. I state that my chosen attending physician, *(name)*______________________ *(address)* ______________________, has advised me that I have a terminal illness, my health cannot be restored or my disease cured. My physician has also advised me that certain supportive care can be given to alleviate pain and suffering and efforts made to keep me comfortable through Hospice Care of the Northwest.

I understand that the Medicare/Medicaid Hospice Benefit provides an additional benefit through Medicare/Medicaid Certified Hospice Program, a medically directed, interdisciplinary group approach to provide palliative care and support to my family and me.

The Hospice Informed Consent Form has been explained to me and I understand the limitations set forth are meant to keep me comfortable and improve the quality of the time I have remaining.

I further understand that my election of Medicare/Medicaid Hospice Benefits constitutes a waiver of any further aggressive treatment for my terminal illness, reimbursable through standard Medicare/Medicaid Hospice Benefits.

**Hospice Election Periods**

I understand that there are Hospice Election Periods, two (2) - 90-day periods, followed by unlimited 60-day periods. At the end of each election period, I will be evaluated and re-certified as needing Hospice services by meeting the Hospice admission criteria.

Once I have revoked the Medicare/Medicaid Hospice Benefit, I forfeit the remaining days in that election period while keeping the remaining election periods intact. I understand that I may transfer to another Medicare/Medicaid Certified Hospice Program once during any election period without having a break in service and that this is not considered a revocation.

I understand that a decision to pursue aggressive treatment affecting my terminal illness is not covered in the Hospice Plan of Care. I have the option to pay for these services or revoke the Medicare/Medicaid Hospice Benefit and assume coverage under traditional Medicare/Medicaid.

**Medicare/Medicaid Hospice Benefit Coverage**
